He stressed the importance of not waiting until the last minute. In the past many farmers have been caught with excess wheat standing after the utilization deadline because of weather, illness or other reasons. Wheat standing in the field after June 1 will be considered as excess wheat.

LOCAL CHURCH ADOPTS RESOLUTION ON SUNDAY LAWS

A resolution stating the position of Seventh-day Adventist Church of Appomattox was adopted last Saturday at a district meeting when H. S. Copman, the Conference President, from Staunton, spoke. The official stand of the church, as declared in the resolution adopted is one of opposition to such legislation. The church adheres to belief in the separation of church and state, and each should recognize the province of the other.

MILK PRODUCTION SETS NEW RECORD

Milk production in 1957 set a new record for the fifth consecutive year, report dairy specialists at V. P. I.

Production went up 900,000,000 pounds over 1956, but was the smallest increase in four years. Total milk production for 1957 was 126,400,000,000 pounds.

This record production came from 2% fewer cows than in 1956. During the year, 35 states showed a drop in the number of milk cows and heifers, 6 showed no change, and 7 showed increases. Four of the 7 states with increases were western states.

According to the U. S. Department of Agriculture, cash farm receipts from the sale of milk and cream this year may drop from 1957 levels. Even though dairymen will continue to increase production per cow, the increase is likely to be offset by decrease in prices. The total per capita consumption of dairy products in 1957 was about 2% below 1956.

Average value of milk cows during 1957 increased from $147 to $176 per head. The average dairy cow in the United States produced 6,162 pounds of milk in 1957. The average Virginia cow in a Dairy Herd Improvement Association herd produced 9,435 pounds of milk. Virginia dairymen, the specialists say, are becoming aware of the need for DHIA help in improving herds.

NEW BOOK IN THE COUNTY LIBRARY

The Northern Light
By A. J. Cronin.

In his new novel, A. J. Cronin has returned to the dominant theme of all his major works: the story of a true hero, a dedicated man who struggles against enormous odds to maintain his faith, his integrity, indeed his very life. In The Keys to The Kingdom, it was a man of God; in The Citidel, a physician; in A Thing of Beauty, an artist. Now, in The Northern Light, the hero is editor and publisher of a small-town newspaper who is fighting for his paper, his family and his community against ruthless monopoly that would undo all his life's work.

Oakville Music Class

The Oakville Music Students of Mr. Walter Payne will be presented in recital at the Oakville School on Friday evening, May 23. This will also be the monthly meeting of the P.-T. A. A short business meeting will be held at 7:30, preceeding the recital. The public is cordially invited.

Drive for Alaska statehood is spurred.

BLOODMOBILE RETURNING HERE

The public is asked to make May 29th a "Red Blood Letter Day" by coming to Liberty Baptist Church between the hours of 11:00 A. M. and 5:00 P. M. and donate a pint of blood to the Red Cross Blood Bank. Blood, like money, when need it is needed badly, and to keep the Blood Bank as solvent as commercial banks, it has to be replenished at regular intervals.

Officials of the local Blood Program have been warned that if the quota is not met, it is possible that Appomattox County will be eliminated from the Blood Program, which would be deplorable. Statistics reveal that citizens of this county have been given considerably more blood from the bank than has been donated here at previous visits of the Bloodmobile.

The public is urged to "give of your blood as you would have some one else give to you."

A donor card may be secured at the Western Auto Store or at the post office. It is not necessary to sign a card, but just come and give and help to exceed the quota of 125 pints.

Chicken Barbecue

Appomattox Lions Club will have a "chicken barbecue" tonight, at 6:45, at the American Legion building.

Last Baseball Game

Appomattox High School lost its first league baseball game of the season Tuesday, going down, 3 to 0, at New London Academy.

REV. LEITNER TO RETURN TO APPOMATTOX

We are indeed happy to be informed the Rev. John P. Leitner, a former Baptist pastor in this county, plans to move here at the end of this month. Rev. Leitner has resigned his present pastorate at Central Hill Baptist Church, Windsor, Va., as of May 31. He and Mrs. Leitner will move to their farm near here.

Although the Rev. Leitner is retiring from the active ministry, he plans to engage in supply, evangelistic and interim work in this area. Rev. Leitner's new address, after moving here, will be Route 1, Box 66A, Pamplin, Va.

We welcome these fine people back to Appomattox.

Government opposes barter expansion bill.

Poles worried by anti-Yugoslav campaign.

A "Miss Appomattox Pageant" will be presented at 8:00 P. M. Friday in the local high school auditorium. Sponsored by the Junior Chamber of Commerce and the Junior Woman's Club, the event will result in the selection of a local girl to participate in the State contest, and possibly the national Miss America Contest at Atlantic City.

Out-of-town judges for the contest will be announced immediately preceeding the pageant. Peggy S. Lawson, Mary Watt George, R. Murrell Ferguson and Ben H. Marshall are co-chairmen for the sponsoring groups. Ben Temple will be master of ceremonies. The welcoming address will be made by S. R. Lawson.

Contestants will appear in evening wear, swimsuits, and in a talent presentation.

A number of specialty acts have been scheduled, and a musical program of music.

Previous winneris of the contests here were Miss Kathryn Burkey in 1956 and Miss Peggy Henry last year.

F. H. A. JUDGING TEAM IN CONTEST

The Appomattox Chapter of Future Farmers of America placed third in the Hub Federation dairy judging contest held recently. The local chapter was represented by Luther Reynolds, Dennis Torrence and Henry Covington. This team scored 1380 points in placing third. First place in the contest went to Brookville, and second to Rustburg. The contest consisted of judging of two classes each of Holstein, Guernsey, and Jersey dairy cattle. Four animals in each class were rated in a final placing on the basis of their general appearance, dairy character, body capacity, and mammary system. These things indicated the animal's ability as a milk producer.

Luther Reynolds was third high scorer in the contest, with 485 points. Dennis Torrance tied for seventh high scorer, with 466 points. There were nine teams taking part in the contest, not including the alternate teams. Among the alternate teams Appomattox also placed third. They were represented there by Jack Henry, Myron Richardson, and Robert Mann.

The classes of cows and heifers were officially placed by Mr. R. A. Sandy, Professor of Dairy Science at V. P. I.

GARDEN CLUB

Members of the Appomattox Garden club are invited to "open house" at the home of Mr. and Mrs. C. T. Moss, Jr. on Monday night, May 26, at 8:00 P. M. This is the final meeting of the club for the season, and color slides will be shown.

POPPY DAYS

Appomattox American Legion Auxiliary will sponsor annual Poppy Day here Friday and Saturday. A bright red poppy on your lapel will show that you remember and honor those who gave their lives in defense of America. Volunteers will be on the streets with baskets of memorial poppies, made by disabled veterans, replicas of the wild poppies of France and Flanders which grew "between the crosses, row on row" in war cemeteries in these countries.
